September 24, 2020

Dear Parents and Guardians:

We recently became aware of a staff member in our school that tested positive for COVID-19. Risk Management & School Administration in conjunction with Tribal & Public Health, Delta & Menominee Counties is conducting case investigation and contact tracing activities. If you or your student is identified as a close contact and needs to quarantine, you will be notified by a Tribal Health Department nurse for further instructions. If you are not identified as a close contact, you will not hear from them.

At this time we are closing the school on Friday, September 25, 2020, to allow time to complete deep cleaning of the entire school campus. A decision about the continuation of face-to-face instruction will be made and communicated to families by noon (12:00 PM) on Friday, September 25, 2020.

We appreciate your support at this time and ask everyone to continue to monitor for the onset of symptoms related to COVID-19, including fever, cough, difficulty breathing, headache, new fatigue, or new loss of taste or smell. If you note any change in the health of your child, please call your regular medical provider.

A handwritten signature in black ink, appearing to read 'Matthew Johnson-Reeves', with a long, sweeping underline.

Matthew Johnson-Reeves, Ed.D.
Superintendent
