How to Understand the PSA's Written Responses

When the FOIA Coordinator receives a written request for a public record, the FOIA Coordinator, or his or her designee, shall, in not more than five (5) business days after the PSA receives the request, respond to the request in one of the following ways:

- a. Grant the request.

Once the good faith deposit is submitted, the PSA will process the request. The balance of the cost of the request must be paid before copies may be picked up, mailed or delivered. Good faith deposits and fees charged for responding to FOIA requests, may be mailed to the following address:

Fee Calculations

Please review the attached Fee Itemization Form, which provides a line-by-line summary and explanation of the fees that the PSA may charge in response to a request, pursuant to Section 4 of the Act (MCL 15.234(1)).

Avenues for Challenge and Appeal

If the requestor believes the fee estimated or charged for the request exceeds the amount permitted under the PSA's procedures and guidelines or Section 4 of the Act, the requestor must submit to the Superintendent a written appeal for a fee reduction that specifically states the word "appeal" and identifies why the requestor believes the required fee exceeds the amount permitted under the PSA's procedures and guidelines or Section 4 of the Act. If the requestor disagrees with the PSA's final determination, the requestor may, after exhausting internal administrative remedies, commence a civil action in Circuit Court where the PSA is located for a fee reduction. The civil action must be filed within 45 days of the PSA's final determination to deny a request pursuant to 10(1)(b) of the Act.

Any written response denying a request for a public record, in whole or in part, is a final determination to deny the request or portion of that request. A requestor may file an appeal with the Superintendent or may seek judicial review of the denial, pursuant to Section 10 of the Act (MCL 15.240). A requestor may receive attorneys' fees and damages pursuant to the Act, if the court determines that the PSA has not complied with Section 5 (MCL 15.235) of the Act and orders the disclosure of all or a portion of a public Record.

3. The FOIA Coordinator shall be responsible to accept and process all written requests for public records under the Act and shall be responsible for approving a denial under section 5 of the Act (MCL 15.235).
4. These procedures and guidelines regarding time frames, appeals, and fees, do not apply to public records prepared for, or disclosed pursuant to another act or statute (i.e., requests for medical records made pursuant to the Public Health Code or requests pursuant to the Public Employee Relations Act or the Bullard-Plawecki Employee Right to know Act, etc.)

If a request is delivered to a spam or junk mail folder, the request is not received by the FOIA Coordinator until one business day after it is discovered.
5. Upon receiving a written request for a public record pursuant to these procedures and guidelines, a person or entity has the right to inspect, copy, or receive copies of the requested public record(s) unless the requested public record is exempt from disclosure pursuant to Section 13 of the Act (MCL 15.243), as amended. III. Request Processing

1. When the PSA receives a written request for a public record, the FOIA Coordinator, or any other designee, shall, in not more than five (5) business days after the PSA receives the request, respond to the request by one of the following:

2. Any failure to respond to a written request as provided for above, constitutes the PSA's determination to deny the request.
3. Any written response denying a request for a public record, in whole or in part, is a final determination to deny the request or portion of that request. A denial response should contain the following:
 - a. An explanation of the basis under the Act or other statute for the determination that a public record(s), or portion(s) thereof, is exempt from disclosure, if that is the reason for denying all or part of a request.
 - b. A statement that the public record(s) do not exist under the name/description given by the requestor or by another name reasonably known to the PSA.

 - e. Notice that a requestor may receive attorneys' fees and damages pursuant to the ACT if the court determines that the PSA has not complied with Section 5 (MCL 15.235) of the Act and orders disclosure of all or a portion of a public record.

IV. Deposit & Fees

1. Fees for responding to any request shall include duplication (copying) costs and mailing costs. Duplication (copying) costs shall be set from time to time by resolution of the Board of Education in an amount that does not exceed 10 cents per page (8 ½ X 11 and 8 ½ X 14). The PSA shall use the most economical method of duplication (i.e., double-siding, etc.) and the least expensive form of postal delivery, unless a more expensive method is specifically requested by the FOIA requestor.
2. The cost of hourly labor may also be charged if the failure to do so will result in unreasonably high costs to the PSA because of the nature of the request in a particular instance. If such is the case, the PSA shall specifically identify the nature of these unreasonably high costs. For purposes of these procedures and guidelines, “unreasonably high costs” shall generally mean calculated labor costs that are estimated to exceed \$50.00, inclusive of salary or wage and fringe benefits.
3. Labor costs shall include the cost of the search, examination, review, separation, and/or deletion of exempt information from non-exempt information in order to fulfill a request.
4. Labor costs will be calculated using the wage of the lowest paid PSA employee capable of searching for, locating, and examining the public record(s), regardless of whether that person is available or actually performs the labor. Labor costs shall be charged in increments of at least 15 minutes or more with all partial time increments rounded down. The PSA may add up to 50% to the applicable labor charge amount to cover or partially cover the cost of fringe benefits. If it does so, it will clearly note the percentage multiplier used to account for benefits in the detailed itemization form. Subject to the 50% limitation, not charge more than the actual cost of fringe benefits, and overtime wages shall not be used in calculating the cost of fringe benefits. Notwithstanding the foregoing, 100% of fringe benefits costs may be added to the applicable labor charge if a requestor is notified in writing that public records are available on the PSA’s website or webpage and the requestor, continues to request that the PSA provide a copy, in any format, of the available public record.
5. Overtime wages shall not be included in the calculation of labor costs unless the requestor specifically approves the use of overtime in writing and overtime wages are clearly noted in the detail itemization form.
6. If the PSA does not employ a person in-house who is capable of separating exempt from non-exempt information in a particular instance, as determined by the FOIA Coordinator, it may utilize an outside contractor. In those instances, the PSA shall clearly note the name of the contractor or firm on the detailed itemization form. The cost of the contractor’s labor, including necessary review directly associated with

separating and deleting exempt information from non-exempt information, shall not exceed an amount equal to six (6) times the state minimum hourly wage rate.

7. The PSA will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.
8. The PSA may require a good faith deposit (not to exceed 50% of the total labor and duplication costs) from the requestor if the total estimated fee exceeds fifty dollars (\$50.00). A request for a good faith deposit shall include a detailed itemization of the fee the PSA estimates or charges pursuant to the ACT.
9. All fees and deposits calculated under these procedures and guidelines shall be listed within a detailed itemization form that shall be provided to the requestor. A copy of such the form is attached hereto and incorporated by reference.
10. Pursuant to Section 4(2) of the Act, the PSA shall search for and furnish a copy of public record without charge for the first \$20.00 of the fee for each request made by either of the following:
 - a. An individual who is entitled to information under the Act and who submits an affidavit stating that the individual is indigent and receiving, specific public assistance or, if not receiving public assistance, stating facts showing an inability to pay the cost of because of indigence. If an individual is ineligible for a discount, then the PSA will inform the individual of the specific reason for the ineligibility in its written response. The right to financial assistance for indigent individuals shall not apply where:
 - (i) an individual has received discounted copies of public records from the PSA twice during the calendar year; or
 - (ii) an individual requests information in conjunction with outside parties who are offering or providing payment, or other remuneration, to the individual to make the request.
 - b. A non-profit organization formally designated by the state to carry out activities under Subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000, public law 106-402, and The Protection And Advocacy for Individuals with Mental Illness Act, Public Law 99-319, or their successors provided the following requirements are satisfied:
 - (i) the request is made directly on behalf of the organization or its clients;

- (ii) the request is made for a reason wholly consistent with the mission and provisions of those laws under Section 931 of the Mental Health Code, MCL 330.1931; and
 - (iii) the request is accompanied by documentation of its designation by the State, if requested by the PSA.
- 11. The PSA may waive any charges if the FOIA Coordinator determines the cost is de minimis. For purposes of these procedures and guidelines, “de minimis” shall mean a calculated fee that is estimated to be less than \$10.00, inclusive of labor costs, duplication and mailing.

V. Fee Dispute Appeal

1. If the requestor believes the fee is estimated or charged for the request exceeds the amount permitted under these procedures and guidelines of Section 4 of the Act, the requestor is required to submit to the Superintendent a written appeal for a fee reduction that specifically states the word “appeal” and identifies how the required fee exceeds the amount permitted under these procedures and guidelines or Section 4 of the Act.
2. Within 10 business days after receiving a written appeal, the Superintendent shall do one of the following:
 - a. Waive the fee.
 - b. Reduce the fee and issue a written determination to the requestor indicating the specific basis under Section 4 of the Act that supports the remaining fee. The determination shall include a certification from the Superintendent that statements in the determination are accurate and that the reduced fee complies with these procedures and guidelines and Section 4 of the Act.
 - c. Uphold the fee and issue a written determination to the requestor indicating the specific basis under Section 4 of the Act that supports the required fee. The determination shall include a certification from the Superintendent that the statements in the determination are accurate and that the fee complies with these procedures and guidelines and Section 4 of the Act.
 - d. Issue a notice extending, for not more than ten (10) business days, the period during which the Superintendent shall respond to the written appeal. The notice of extension shall include a detailed reason or reasons why the extension is necessary. The Superintendent shall not issue more than one notice of extension for a particular written appeal.

3. If a requestor disagrees with the PSA's determination, the requestor may comment an action in Circuit Court in the county in which the PSA is located within 45 days of the public body's determination to seek a fee reduction.

VI. Right to Appeal a Denial of a Public Record Request

1. If a requestor desires to appeal a denial request for a public record, in whole or in part, the requestor may submit a written appeal to the Superintendent or may seek judicial review of the denial, pursuant to Section 10 of the Act (MCL 15.240). A written appeal to the Superintendent shall specifically state the word "appeal" and identify the reason(s) for reversal of the denial.
2. Within ten (10) business days after receiving a written appeal, the Superintendent shall do one of the following:
 - a. Reverse the disclosure denial.
 - b. Issue a written notice to the appellant upholding the denial.
 - c. Reverse the denial in part and issue a written notice to the appellant upholding the denial in part.
 - d. Under unusual circumstances, issue a notice extending, for not more than ten (10) business days, the period during which the Superintendent shall respond to the written appeal. The Superintendent shall not issue more than one (1) notice of extension for a particular written appeal.
3. The Superintendent is not considered to have received a written appeal until its next regularly scheduled meeting after the appeal is submitted.
4. Any failure to respond to an appeal shall be considered a decision to uphold the denial. If an appeal is denied in whole or in part by the Superintendent, the appellant may seek judicial review of the nondisclosure by commencing an action in Circuit Court in the county in which the PSA is located.
