April 10th, 2020

Dear NTW/HIS Community and Family,

This letter is to inform you that our Distance Learning instruction will officially begin on Monday, April 13th, 2020. Staff will be contacting students via their school email accounts or by phone if you do not currently have internet access.

If you did not pick up your student's Chromebook today, please stop by Tuesday, April 14th, between Noon and 3:00pm and we will get you the assigned Chromebook for your child/children. Because of this the RK & K distance learning will not start until Wednesday, 15th.

We are still working on internet options for the families who indicated that they do not have internet access. Those details will follow as they develop. Please continue to monitor our school Facebook page and school website.

Thank you for your understanding, patience, and cooperation. Working together I am confident we can get through this.

Please continue checking the school website and FB page for more updates.

Seth Miller
Principal
